“ Deb and Jim,

I am so sorry for all that you have endured. All I can do is think back to when Aaron used to push his little wheel barrel filled with mulch all morning waiting for Alex to come home. He was a wonderful child and a terrific young man. All our love to you in this time of grief.

“ My condolences to the Price family and friends. Aaron was a really good young man. When ever I would meet Aaron, he always shook my hand asking me how I am doing with a smile. Will miss our Sunday morning small talk, when him and Kristian would show up just before they went out. Will never forget you Aaron, was a pleasure to be around you. Until we meet again, Rest in Peace my friend.

“ Dear Price family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ Aaron's untimely passing has had a profound impact on all of us. He was the type of young man that every parent would be proud of and everyone would want as a friend. Aaron was the most polite and fun young man you could ever meet. He did everything right and really had his act together.

I had the pleasure of knowing Aaron for the past several months through Meteor MC and spent a lot of time setting up events, working events, riding sweep, riding enduro's, attending meetings, bench racing and just having fun with him and his friends Kristian and Sean. Oh and lets not forget the endless group texts that typically got - well - lets say very interesting.

My 10 YO daughter Lilli remembers the fun times we had working with Aaron on a public service road side clean up day and also laying out trail for the Sandy Lane Enduro.

We would like to extend our sincere condolences to his family and friends. I cannot imagine your heart ache.

Aaron, you will always be remembered and in our hearts.
