Roy F Sewell

July 4, 2021

Roy Sewell of Moorestown passed away on July 4th, 2021. Originally from England, he graduated from Luton College of Technology before joining the British Army. He served in the Korean War as a Tank Commander. Following his military service, he worked as a Computer Scientist in England. Shortly thereafter, he was recruited to join Honeywell near Boston. On his first day in the United States, he met his future wife, Victoria, and the-couple married shortly thereafter.

Roy joined RCA as a Computer Scientist in Moorestown, where he immediately became active in the community. He served on the Library Board for 20 years, was a member of the YMCA Service Club, and was a Deacon at The First Presbyterian Church of Moorestown. He enjoyed many happy family vacations at Lake St. Catherine in Vermont.

Roy never had an unkind word to say to anyone. One of his proudest moments was when he became an American citizen, an achievement that was reflected in his love of flying the American flag.

Roy was the beloved husband of Victoria and dear father of Alexander and his wife, Erica. He is survived by his sister, Betty Revill of Cyprus, and four nieces and nephews in England. He will be greatly missed by all who knew and loved him.

Memorial service 11 am Friday July 16th, at the First Presbyterian Church, 101 Bridgeboro Rd. Moorestown, NJ 08057.

Roy was always the true gentleman. He always had a smile to share, and he never had an unkind word to say. We will always remember his tireless efforts to bring a new library to the families of Moorestown, and we were happy to see it happen in his lifetime. He will be deeply missed by all and we hold Vickie, Alex and Erika close in our thoughts and prayers. With Love, The Miceli Family

I am so thankful for the encouragement Roy extended to our family from the first day we met. His faithfulness as a member of the Wednesday morning Men' Bible Class was notable. Much love to Vickie and Alex and all in the family!! Jonathan

The gentle, gracious gentleman who always offered a smile. I've heard such wonderful stories about Roy and wish I could have thanked him for his military, community and church service. Won't he be missed.
