“ Tammy, We were so sorry learning last night about David's passing. We've know him for years, but never really knew him well. That's what distance does to families when they live so far apart. Our heart goes out for you & the children. Their all adults now. That's hard to believe too. You'll be in our prayers. Love Uncle Rick & Aunt Joan

“ To the entire Maver Family, I was so sorry to hear of the loss of Dave. I had the pleasure of knowing him first when I was on Masonville Emergency Squad and later when we both worked for Mount Laurel Township. He was a first class guy and it is so sad that he was taken from you so young. My sincere condolences and prayers to your family.

“ Dear Tammy and Kids, Aunt Gloria, Allen, Wayne and Barbara,
Although David is not with us, the memories of every Thanksgiving playing football in the yard and sharing a wonderful day will never be forgotten. As we grew up and things change, every time I would see David and the family, it's always been special and we should all be proud and thankful to have been around such a kind soul as David.

I love you all,

Mark and Darlene Tranquilli and the Kids

“ Mrs. Maver, David, Andrew, Libby, and Katie,

My long lasting friendship with David allowed me to know each one of you. I will never forget the last conversation I had with Mr. Maver. I remember vividly talking about our encounters with so many "interesting" people through nursing and work as a police officer, all while washing his M3. I'll never forget the physics lesson he taught me, Emily, and David, our drives back from Civil Air Patrol meetings and stops at the custard stand, his enthusiasm for bikes, and so many funny quotes and sayings.

I am still so shocked and overwhelmed by Mr. Maver's death. It doesn't seem real still. Please know that I will always be looking after David and if there is anything I can offer to help the family, I am here. Your family is in my thoughts and prayers.

Much Love,

“ Tammy, David, Andrew, Libby & Katie... my heart broke when I heard the news yesterday. Dave was simply awesome! I remember when I met him as a child admiring his spirit, his love for his family and his strength. The last time I saw him was at my wedding and man, did he have fun! Tammy, I remember the two of you dancing and laughing and it made me happy knowing that you had been together for so long and could still be that happy together. I also always could appreciate his Type-A-ness :) I had never seen a garage so neat and organized and I too have a desire for the carpet to be vacuumed just-so. I am so incredibly sorry for your loss. As you know, he was an amazing man who loved you all so much. You are all in my thoughts and heart.

“ Tammy - I remember sharing a great dinner with you and David and 20 of our closest R&H friends at a Paint Show in New Orleans in the early 90s. It was the only time I got to meet David. We had lots of fun at that dinner. I really enjoyed talking with David that night. Sorry I cannot be there this weekend to pay my respects in person, but know my thoughts and prayers are with you and your family. -George Daisey

“ Tammy, Dave and I worked together at LMCo as Mechanical Engineers. We had many things in common including tinkering, police talk, and our many children stories. He was so proud of all of you! He just recently on the 17th talked to me for an hour about how important it was for me to go forward with my major surgery. I am home recovering and we hope to make the service if able. Its been a stressful few years but I just wanted to say how much of a shock this news was to me. He was a good man and we were blessed to have known him in our lives. He only so wanted to support you, his family the best way he knew! Dave will be missed and our hearts broken. Our prayers are with you in your time of need. Sincerely, Ann & Darrin & Steven, David, and Michael Wiser
