

## Dorothy J Weathers

February 21, 2018

Dorothy Jo Weathers (nee Winkle) of Moorestown New Jersey, passed away peacefully on February 21, 2018 at the age of 86.

Dorothy was born in Dimmitt, Texas, the daughter of the late O.B. Winkle and Ruth Louise Winkle Meacham (nee McMahon). Dorothy was the beloved wife of the late William Weathers. She was the mother of the late infant Nanette Weathers, the precious Mudder of daughter Patti Schast Jester (Dean) of Moorestown, NJ, mother of sons Steven Weathers of Topeka, Kansas and the late Craig Weathers of Puyallup, Washington. She was the loving and incredibly proud and beloved Grandma of Sierra Schast and the late Daniel Schast. Dorothy delighted in her bonus step-grandchildren Adam Jester, Brad Jester, Darcie Jester, and Michael Jester(Cheryl). Her step-greatgrandsons Teddy and Harrison brought joy to her heart. She was the beloved and loving sister of Eddie Winkle of Wichita, Kansas and Cheryl Chase of Oak Ridge, Tennessee.

Dorothy moved to Moorestown in 2016 from her homes of 40 years in Renton and Puyallup, Washington to be near her daughter and son-in-law. She left behind many close friends and family, but continued to stay connected. Dorothy also had a winter home in Mesa, Arizona where she spent January through April, yearly. She loved her "little house in the desert" and had many fun times with her beloved cousins and many dear Arizona snowbirds friends. Her love of family and friends, infectious sense of humor, and proud and strong Texas accent will be remembered by all.

Family and friends are invited to a Celebration of Dorothy's life on Friday, March 2nd, 2018 at the First Baptist Church, 19 W. Main Street, Moorestown, NJ at 10:30AM. Visitation prior at 9:30AM.

Memorial contributions in Dorothy's memory may be made to The American Cancer Society. 851 Old Cuthbert Road, Cherry Hill, NJ. 08034

“ Aunt Dorothy was and will ever be such a bright spot in my life. She and Uncle Bill were the fun (young) aunt and uncle. I loved Christmas when the Weathers family could get together. Maybe those times were extra special to me because I was an only child, grandchild, and only great grand child on my dad's side. I remember visiting in Witchta when Craig was just a little squirt. Aunt Dorothy was a great hostess. I still use a recipe for Mexican juicy burgers she made then. The reunions in Centralia and Indianapolis are even more special now with the memories. But the time that was most special was the time Marv and I visited Aunt Dorothy in Pullalup (I should have checked the spelling!). We had such a good visit with her and with Craig (who had grown to a very tall Christain man by then)! Patti and Steve and all the family: you are in our prayers. I know how special it was for her to be with you. God bless! Cousin Sandra

“ I had the privilege to live next door to Dorothy in Woodsong Community, Puyallup, WA, from December 2014 until she moved back to NJ in summer of 2016. I loved her wit & humor even when she faced some health challenges. She loved life & spending winters in Mesa, AZ. She loved her family & so appreciated them—especially her frequent phone conversations with her lovely daughter in NJ. I am thankful for such great memories of my neighbor & friend.  
May God’s Love give strength and comfort her family.

“ One of my favorite memories, and I have had a few, was one Christmas Eve when Brian and I stopped over after church to be a little part of Patti's and Dorothy's celebration. Of course Patti's home was decorated in normal Martha Stewart style. The air was crisp outside but the fire inside was crackling with warmth not only from the fire but her beautiful mom was glowing with her radiant smile from ear to ear. She always made you feel welcomed any time of the day or night. She was a gracious lady and will be missed by her family and friends. I am sorry her stay here in Jersey was a short one and we did not connect but for sure we will see each other again in heaven  
Our blessings and love to you and your family
