“ Linda, Paul and Lauren,

There are no words to express our deep sorrow on Evan's passing. We are saddened by the loss of potential, of accomplishment, of love given and received. We will remember his smiles and all the good times that we shared with him at the Outerbanks, at his home, and in Ashland, VA at Susan's home during Thanksgivings. These memories of him interacting with family will bring us comfort. Evan loved his family and his family loved him. May he rest in peace. Love, Dad and Donna

“ I miss you dearly, Evan. You were the most special person I have ever met. So intelligent, loving, caring, silly, and supportive. I will cherish every single memory we have had over the past two years. So many moments filled with laughter and joy. I love you, and I always will.
