“ I had the pleasure of knowing Dr. Coale both from my years at Spring Ford where she touched my entire family including my children. I also knew her as Mommy to her beloved Bailey while she boarded him at Hickory Springs Farm Kennel. She always had a smile on her face and always a kind word. She will be missed. Thank you Dr. Coale for changing so many lives that matter to me. Rest in Glorious Peace. Frazier-Neskie & Hickory Springs Staff Members

“ Gen was such a warm and loving person. She welcomed me with open arms and always made me feel loved. Her spirit was unmatched. She was genuinely a joy to be around. My family was fortunate to spend a lot of time with her when my kids were growing up. I loved catching up with her this past Christmas. I will miss her contagious smile.
