“ Joan was a beautiful, dear Christian woman who gave tirelessly to many activities at Trinity Church. When my father (Rev. Canon Bruce Weatherly) said her name, you could hear the glory and high esteem he held for her in his voice. God bless the family.

She was a teacher of children who were just beginning to learn how to grow and play together, and provided many valuable life for these preschoolers. We will miss her beautiful smile and laughter. “ Joan was the perfect hostess. Parties always included games and entertainment. One time we were in teams to create our dinner. I made pasta for the first {and last} time. She was a wonderful cook. One summer I brought my two nephews to the lake for a picnic. Being away from home all food was store bought. I remember Brad leaving our table to go to Joan's table where real food was being served.
