“ I have been blessed to have grown up with Joan's daughter as a lifelong friend, sharing a lifetime of memories with all of the family (including picnics at the Jersey shore and those amazing Thanksgiving dinners!). When my husband and I started dating, Joan showed him all of the love she had always shown me. A formidable and caring woman, she is already missed. With love to the entire Wu family.

“ Kelley Salmonsens has so many wonderful memories of her friend and mentor, Joan from the activities Department at St. Mary's. The fun Kelley had at a gathering in Joan's home to all the fun and laughs they shared in the activities they did together. A dinner they attended with her husband when Joan won an award, dancing and laughing. Kelley has her picture hanging in her room. The dress-up they put on for the resident's volunteer luncheons, Joan always looked after Kelley missed her so when she retired. Joan was a wonderful person.
