“ I am so sorry for your loss. I will miss seeing Joe smile...he had one that would light up a room. He was a gentleman to me and would tell me to have a good day before I left in the morning. Joe loved sharing stories about his job and also about his hero Hulk Hogan. He was a real buddy to me on night shift and will be missed. Prayers for your peace and comfort at this time.

“ Joe will always have a special place in my memories of our home in the woods in Mt. Laurel NJ. We were like a family compound, The Comforts, The Crawfords, and the Mays. We shared many happy and sometimes sad times, but were always there for each other. We will miss you Joe
