

Kathleen Hanley Lloyd

December 10, 2019

Kathleen M. Hanley-Lloyd, 68, of Moorestown passed at home, surrounded by family, on December 10, 2019 after a long battle with ovarian cancer. A fighter to the end, Kathleen went through three major surgeries and nine rounds of treatment, including two clinical trials.

Born in Philadelphia, she was a graduate of St. Hubert's High School and Holy Family College (now University). After a successful career in insurance during which she obtained a Chartered Property Casualty Underwriter (CPCU) designation by passing eight tests over several years, she stayed home to raise her only child, Christopher. She then went on to get a Masters degree and returned to work as a school psychologist in the Philadelphia School District. She was likely the only school psychologist to have had a CPCU!

She was a class parent at Moorestown Friends School, a religious education teacher at St John Neumann parish in Mt. Laurel NJ and a summer student in English History at Oxford. Her determination is revealed in a story from a few years ago on a trip to Ireland. She took a train and two busses to her hotel in Cork, and based on a sliver of information, trooped through graveyards and churches, eventually tracking down and visiting with relatives of her grandparents.

She is survived by her son Chris, daughter-in-law Jane, her husband Paul, brother Tom (Irene) and numerous cousins, nieces and nephews (in law).

A viewing will be held on Thursday Eve. Dec. 12th from 6 – 8pm at the Lewis Funeral Home, 78 E. Main St. Moorestown, NJ. and Friday Dec. 13th from 9 – 10 am at the funeral home. Mass of Christian burial will be held at 10:30 am at St. John Neuman Church, 560 Walton Ave. Mt. Laurel, NJ. 08054.

In lieu of flowers memorial contributions may be made to your favorite children's charity. Kathleen's was St Jude Hospital for Children.

“ I shall always cherish my memories of Kathleen. She was a devoted wife, mother, and friend. She was a good school psychologist, and worked hard in that capacity. I shall miss her.

“ My dearest Kathleen, I don't know how to express my deepest feelings in my heart for you. I will never forget all the wonderful and happy times we spent together. Some of those happiest times were Christmas at my house, my father playing the piano, my mother singing, and your mother ringing the Christmas bell after several martini's, while we all laughed along. More recently at Christina's, I never knew you had such a wonderful sense of humor, you were so funny you made us all laugh. Obviously, a talent you got from Phyllis!! These memories I will treasure forever.

When you first got sick, you were so very strong, a true fighter, a trait you got from the Russo side of the family! I thank God he gave us 6 years, but hoped for more. I will always love you from the bottom of my heart & I wish you comfort and peace eternally!

Thank you for being in my wedding and such an instrumental part of my life!

With all my love,
Linda

“ I am so sorry to hear about Kathleen's passing. We hung out together back in a day when she lived on Winchester Street off Roosevelt Blvd. We lost touch over the years. So sorry we never kept in touch. RIP Kathleen.
