“ Lily was an innately kind and very loyal lady. She had a heart of gold and trusted the people she loved without question. Sorry, I missed visiting with her one last time, but I know she wanted most to be with Jim again.

Barbie you are a rare diamond and you couldn't have done more for your parents. Remember you made trips and excursions that many people just dream about a reality for Lily and Jim. You were on and up regarding their care daily and unselfishly. I hope you can cherish all the wonderful memories now.
