“ Eileen & I send our condolences. We had such great memories from year's past. When your family would come out to the Island for a holiday. We eat all day, then play cards to the wee hours. It's sad that a passing of a family member, brings you back together. Tell everyone, that your family is in our prayers. Love, your L.I. Cousins

“ Dear Gubitosi Family,
I met Ralph many years ago at Michel's Cafe, Moorestown, NJ where he would sit at the counter with his best buddy, Russ Gunning just about every morning, sharing stories with each other and anyone who might come in and take a seat beside them. Ralph always had a smile to greet you with and brighten your day. A remembrance past or present that was interesting to listen to and learn from. He enjoyed conversing with people, being friendly and jovial. He was a kind soul who adored his family and spoke proudly about them often. He and Russ so enjoyed their friendship, their trips to breakfast, Dunkin Donuts, Wendy's, Route 130 Diner, lunches sometimes too, as well as excursions to the casinos on occasion. Many a time spent on Russ' front porch sharing tales of bygone days from both of their lives. Better than any history class! He lived his life well and shared his enthusiasm for it with many of us who were fortunate to have known him. I will remember him fondly.
My thoughts and prayers are with the Gubitosi family. Focus on happy times shared and allow them to sustain you through this difficult time. He will always be with you.
Sincerely,
Lisa F. Attix

“ RIP cousin Ralph, I will always remember the family get togethers. Tommy (my husband) remembers you as the best card player he's seen. I bet there's a big card going on now with family & dancing with Gerry, my mom & dad .

“ Over the years, we always enjoyed your stories and your contagious laughter. Your love for your family was boundless and inspiring. Whether around the table or around the field, you were there cheering for Nick and Dom. You will be sadly missed. Our deepest sympathy to your family.

“ Ralph had a wonderful gift of gab and I always enjoyed talking with him. He was always so pleasant to be around. I have great memories of Ralph - eating with him in one of the many diners he loved; how he beautifully carved a Thanksgiving turkey; and observing the way he truly cared for his family. Rest In Peace, Ralph. Our sympathies to all of Ralph's family. Cynthia, Peter & Grace

“ Ralph,

We met many years ago at Moorestown Cafe, formed a small group of regulars, and this is how we started our day, every single morning. Forming friendships that have meant so much to me. We would share what was going on in life that day, and talk about our past. I am thankful for those times and that i got to meet you and will always have many special memories. I will always remember you walking into breakfast with a smile.

Thank you for wonderful memories. You will be missed. Rest in peace my friend.

“ So privileged to have gotten to know Ralph. We spent this Christmas Eve at Terry's with Ralph and he enjoyed watching his daughter dance, the boys coming and going, and eating a fabulous dinner. Ralph will be missed by us.

“ Ralph was my breakfast buddy for many years. Sam and myself had many, many wonderful times with Ralph that I will never forget. Ralph was a kind, generous person and fun to be around. He loved his family and especially loved going to all the games that Nick and Don played.
I will miss you dearly Ralph but I know you are with your beloved Wife, Son and Parents.
Love you always Arlene and Sam.

“ Ralphie what can I say except that we go way back to the old neighborhood and have been friends for a long time. You will be missed especially at friends and family events. I'm glad you were able to be at Terry's house for the holidays this year because I enjoyed our conversations about the ridiculous price of meat these days. Rest in peace my friend and my heart goes out to those you leave behind! With love, Jo-Ann Wright
