“ Alice Eilers was a great mother to my best friend, Rich and his sister, Beth, and a great person. She was always so generous in allowing me to spend time at her house, making food for me so I would not be hungry and took Rich and me movies, shows etc etc etc, always showing Rich and the right path during those crazy teen years, Rest well Mrs, Eilers. I will always remember you and I am thankful to have known you.

“ Alice was my first commissioner when I was Cubmaster at Pack 117. She believed in me and supported all that I tried to do with and for our Pack. She was a wealth of information and was up for a conversation about anything. She is someone I will always remember.

“ I knew Alice from the water classes at the YMCA. We share stories about Boy Scouts, pets, travel and the world around us. I always enjoyed our talks and her feisty "New York" personality. Her memory will be for a blessing.

“ Sorry to hear about Alice. I had the pleasure of working with her for many years on the commissioner staff and her commitment to Scouting was an inspiration to all. She touched the lives of so many Scouts and leaders. Truly one of a kind and always in our hearts.

“ Nearly 60 years ago I met a lovely Coed on the Bedford Park Blvd Subway station. We rode all the way to 179th Street & walked to her home on 181st Street in Jamaica (and did so for the next three years). Two years later we walked down the aisle at Our Savior Lutheran Church. You will always be my lovely Coed, Lucia.
