

Alice Martin

July 22, 2022

Alice Martin, 88, of Shenandoah Village, Sicklerville formerly Pennsauken, entered into God's care on Friday, July 22, 2022.

Born in Pittston, PA, a coal mining town in Luzerne County, later moving with her parents & two brothers to South Philadelphia, North Philadelphia then to Maple Shade, NJ. She then resided in Pennsauken where she raised her two sons and gained lifelong friends. Alice was employed by Elkins-Sinn in Cherry Hill where she gained more lifelong friends before retiring and moving to Sicklerville to be close to her grandchildren.

Affectionately known as "Dolly" to many of her close friends & family, she brought light, infectious laughter & beautiful smiles wherever she went. She was genuinely sweet & kind-hearted and would do anything for those she loved.

Alice enjoyed spending time with friends and family. She traveled to Jamaica for her son, Glenn's (Victoria) wedding and since that was her very first time on an airline flight, she was invited to the cockpit to meet the Pilot. She enjoyed summer vacations in Wildwood Crest, and an annual December trip to Hershey Park with her grandchildren staying at the Hersey Lodge and enjoying breakfast with Santa. Some of Alice's real passions in life was being a devoted Mom-mom to her grandchildren, taking them to parks, on walks when they were younger, dancing and singing with them in the house and even out in the street with their friends as they got older. She had a keen sense of humor, loved playing pranks on others. She will be missed dearly by

her family and friends.

Daughter of the late Charles Alexander and Helen Schmalzle, she is survived by her loving sons, Glenn Martin, his wife Victoria, George Martin, his wife Lisa. her two beautiful grandchildren, Nick (Marissa) & Lindsey, and her great-granddaughter, Aletheia, who she recently met, held & laughed with; her brother, Jack Alexander (who quoted “perfect sister”) she was preceded in death by her oldest brother Charles Anthony Alexander. Also survived by nieces, nephews and many beloved friends. and was Always remembered, never forgotten.

“ My memories of Alice are long and beautiful! I got to know Alice years ago when my Sister Victoria married her son Glenn. I'll never forget the time we spent in Jamaica starting this journey. I was so honored to be invited and to share in those precious moments that last a life time. Alice will always be fondly remembered. She had a way of making people laugh and was so enjoyable to be around. We always enjoyed her company at holiday dinner's. Family get togethers and Birthday's. Alice was always there! She will forever be remembered for her kindness, her silliness that was infectious. My Condolences to my brother in law Glenn. My sister Vicki who showered her with love litterlly. My nephew Nick & my niece Lindsey who got to know her best of all while growing up. Alice has always been family and her presence will surely be missed. ✨😊🙏💕

“ Alice was a joy to be around and to know. She had such a great sense of humor and I loved hearing her laugh when she or someone else cracked a joke. I remember when something was eating at her or there was misbehaving somewhere nearby. She'd always go “mmm, mmm, mmm” instead of getting mad or raising her voice. You knew you better pay attention. A lost art at this point, she also had the most beautiful penmanship I have ever come across. Over the past 20 years, I always enjoyed receiving a card in the mail from her just to look at how gracefully she curved the lines of each cursive letter. She will be greatly missed. My condolences to the family.

“ Great childhood memories on Rogers Ave growing up with Martin family... there was always a ball involved- basketball, football, baseball, soccer ball and of course the infamous snow balls.... Alice watched over us and never failed to turn on the light so the games in the driveway went well into the night. Glenn, George, my deepest sympathy for your loss. Your mom was special - God Speed Alice - thank you for the fond memories Warmest Aloha Nui Loa Billy Adair

“ I met Alice in the early 70s when the Martins put up a basketball court out on the street and a group of kids in the neighborhood started playing there. Alice was fun with a great sense of humor but if you did something out of line she would definitely let you know about it. That combination of humor and determination would serve her well when she found herself a single mom with two young boys. In the 80s and 90s the Martin household became the hangout for a group of friends of the boys and Alice was so good to us. Alice knew all of us and everything that was going on in our lives and never complained about all of our noise and mess, she just wanted the best environment at home for her two boys. Alice was a wonderful person who somehow held down a job, kept her home immaculate, raised two boys and treated a whole group of young people like family. Alice was a devoted mother and friend and I will remember her fondly.
