“ *Dear Merrick Family, I am sorry for your recent losses. My husband and I purchased your Westfield home from your parents in 1990. We continue to live in this beloved home and wanted to let you know that it is a very happy place. Please let me know if anyone in your family would like to visit and see your childhood home. We have made some changes but it primarily remains the same as when you lived here.*

Your parents were very kind to us during the purchasing process. Sending our condolences to you all.
