“ *Alice was a dear friend. I enjoyed walking with her and going to the movies and on day trips. I only went to yoga class twice a week because she wanted me to go with her, but I needed it more than she did. She was very independent and liked to do everything on her own. She was a good cook and made the most wonderful brownies I've ever had. I told her she should go into business selling them. I will miss her greatly. This photo was taken just one year before she died. We were at Longwood Gardens.*

“ *To the Sabaitis Family,
Alice was always full of questions and curiosity. She once was upset with me because I tried to make things easy on her because of her age and relieve her of her hospitality duties! She continued to help our club all these years she was a member.*

We will miss seeing her sweet face/smile at the meetings and please know we considered ourselves lucky to have her in our lives.
