“ *I had the honor of taking care of Ann in her home. She was such a sports fan. The Phillies game was on almost every time I came over.*

Sandy my heart is open to you and your sister for any help or support I can give. I know that you're going through a major battle of your own. God will see you through this very trying time and be there when we celebrate your Mom's life. She was very proud of you Sandy!!

Thanks so much for letting me be a caregiver to her to give you a break. Now is the time for you to heal your emotional and physical needs. Remember always that when you're watching the Phillies that your Mom is watching too

“ *So very sorry for your loss. There is nothing like a Mom. May you live, Sue, a long and fulfilled life as your Mom did. Sending hugs to you and your family.*

Sorry for your loss. As a Christian we know this is only a temporary loss. Because we will see Ann again with her beloved savor in Heaven. Even though I haven't seen you all for a lone time, every time I look up and see the doll your mother gave me years ago. I remember the happy times with you and your Mother .
