“ *It is hard to believe that it has been 59 years since I first met Anne VanSciver. It was September 1959, and Anne was hell-bent on seeing to it that her brother Leo reported on time to the U.S. Marine Corps in Quantico, Virginia. I was along for the ride -- I just happened to have the same orders as Leo.*

*Anne made sure that we had lunch, and then undertook the task of personally driving us from the VanSciver's digs in the suburbs of Washington, D.C. to the Marine Corps Base at Quantico. I'll never forget Anne's indomitable sense of humor during that ride.*

*Ave Atque Vale!*
