“ *Just finished reading the story of Toni Obermaier and her family in the Moorestown Living magazine. How my heart goes out to her husband and her four children. To look into their eyes and beautiful faces and know that they now must move forward in life without their wife and mother is heartbreaking. Especially the children without the presence of their mother physically. I struggle every day with the loss of my own, but I had her many more years than they have. To the children, your mother is always with you, reach for her often. To Ron, the love you shared with Toni is alive in your heart and in the lives and faces of your children. Go forward with strength, pride and eternal love. Thank you all for sharing your story in spite of your great loss. It has touched me. My thoughts and prayers are with all of you. Be strong.*

“ Toni was truly a gift and a light in our lives My husband “G” (as she called him) and I met Toni through this amazing skincare business - which is so much more than that! Toni immediately become a very important person in our lives! She was truly a gift, a positive light and a true warrior! May her light constantly shine on her husband, Ron and their beautiful children. As well as her beautiful mother - and siblings! Forever in our hearts! Kerri and G Lawson

“ I was heart broken to hear of Toni's passing. As owner of the Health Haven on Main Street, I know she tried all options to arrest the cancer that gripped her. We had many talks about her journey. In the short time that I knew her, she inspired me with my own struggle with breast cancer.... but isn't that so like Toni?.....to inspire others while minimizing her own struggles?. She will always be a special woman. So strong, so courageous.....;;everything thing she did, she tried, she researched, was to be with her family more years than she was diagnosed. She fought harder than anyone I have ever known. My love, condolences, and sincere sympathies go out to her entire family. I will miss her smile and her positive nature. She was truly a gift.

“ I knew Toni all her life. Her sister and I were together 38 years. They were the two most pragmatic individuals I have ever known. She was beautiful in every way; so optimistic, caring, energetic, and with a lovely sense of humor. She will be sorely missed. Ron and children, Cory and I will always be here for you, whenever and whatever you may need. Keep the faith, and know she will always be with you in spirit, and in your hearts and minds.
