

Arline E Nettleman

October 10, 2018

Nettleman, Arline E (nee Walker), age 94, died peacefully October 10, 2018, at Evergreens, Moorestown, NJ. She was the cherished wife of the late Milton F. Nettleman; mother of James D (Mary) Nettleman and Phyllis Ellis (the late Edward Horton); Nana to Chris, Jennifer, Kate and Megan; Grand Nana to Kayley, Kaelan, Andrew, Christopher and Inez; and sister to Jean (the late Warner) Thurlow and the late Ronald (the late Lois) Walker.

Arline doted on family. From the giggly 13 year old who fell in love with the then-18 year old Milt, to the 18 year old who eloped with her soulmate, to the young wife who endured years of separation through World War II, Arline chose family. She and Milton made a home in Camden, then built a home in Lake Pine, Medford Township. They retired to Leisuretown in Southampton until Milton's death; then Arline selected her home at The Evergreens. She and Milton had a marriage to envy; they truly enjoyed each other's company and did everything together. After raising children, she cared for aging parents and still found time to volunteer at Mt. Holly Hospital. She loved books, playing cards, keeping abreast of current events and word puzzles of all kinds. She had a smile and a kind word for everybody, whether she knew the person or not. She was a natural for the job when the Evergreens staff asked if she would be interested in greeting new residents and showing them the ropes. Arline baked cookies for residents and staff, participated in Bible study class, loved the programs on travel and exotic locations and served as Secretary of the Resident Healthcare Committee for years. May He make His Face to

shine upon her and hold her in the palm of His Hand.

Funeral arrangements, through the Lewis Funeral Home, Main Street, Moorestown, NJ, are private. The family asks in lieu of flowers, contributions in Arline's name be made to The Evergreens, 309 Bridgeboro Road, Moorestown, NJ 08057; to Lighthouse Hospice, 1040 Kings Highway North, Cherry Hill, NJ 08034; or to a charity of your choosing.

“ *Ditto to what my sister, Clare Fassl Gunson wrote. I had written similar words and somehow I deleted them. Arline was such a dear friend to our mother, Betty Fassl. They remarked that they were like sisters. They cared and looked out for each other. I looked forward to seeing and talking to Arline and hearing about her life with her husband. Theirs was an amazing story! When I came to visit my mother for several days, Arline would have me over to "chat" or comfort me when my mother was not doing well. And I even borrowed a cup of sugar from her! And she usually was playing Solitaire with actual playing cards! Below is a picture I took of the two of them together one summer day. I think it might have been my Mom's birthday party day. I am very thankful to Arline and will miss her very much.*

“ *Arline was a wonderful neighbor and friend to my mother Betty Fassl. From the moment she moved in Arline was always available with her beautiful smile and generous love. She was also a tremendous help when ever needed. When my mother was housebound for the last 5 years of life, Arline would visit my mother almost every day. She would share her day with my mom and they would chat like old dear friends. After my mother passed away, I would call Arline every few weeks just to talk. She was so interesting. I loved to hear her stories about growing up at the shore and all of her life experiences. I know that she is now with Jesus her savior in heaven because of the faith and relationship she had with Him. I look forward to seeing her someday in heaven. I am thinking of and praying for all her cherished loved ones. She will be missed!* ”
