“ Art and I go back many, many years. As kids we rode our bike to fires and drills before we could drive. Spent many hours at fires, squad calls, drills parades and events. Later we both were involved with the Moorestown AARP. No matter how tough things were, he always had a great smile. He shared with me good info on how to invest.

Will miss HIM!!!!

Art was a real friend to us. He and Ed met at the firehouse many years ago. We will always remember our dinners in Wildwood during the Firemens conventions. Art was always the one to divide the bills. He came all the way to visit when I had my stroke and it meant so .such. Always there for Ed and I and will be missed dearly.
