“ *Sharing with Barry on the Board at Schoolhouse mews was memorable. Having Jan in his life was a wonderful experience for cruises and the summer house. The day before he passed we talked on the phone about going out for a bite to eat. His death was a shock to both of us. Judith and Jack*

“ *The day Barry’s adopted granddaughter arrived from China, he was standing at the gate waiting for us to come off the plane. We walked off the plane with Alyssa in a little umbrella stroller . He immediately Penntown picked her up out of the stroller for all the way up by his neck and shoulder and said your Pop Pop’s chick! And from that moment forward she was the light of his life!*
