“ *We were so sorry to hear of Betty's passing. We have such fond memories of you both as each Sunday we would wait to see you at Oak Grove Presbyterian Church in Southampton. We also have memories of your trip to Myrtle Beach, with the Longs, when we all got together for dinner. Betty will really be missed. We are sorry we could not be at the service, due to health issues, but our thoughts and prayers are with you Bill, and your family. David & Betty Woehr*

“ *Bill I want to extend my deepest sympathy to you and your family. I was so saddened to hear of Betty's passing. I have so many wonderful memories of her. First as young mothers on Rogers Ave, our shopping trips to Outer Banks, the vacation in Myrtle Beach, and our moves to Leisuretowne. A span of 62 years. She was fun, kind and caring and she will be sadly missed.*

“ Very sorry to hear of Betty leaving us. We were long time friends going back to the Class of 1948 @ Merchantville High School. I dated Betty a couple of times while in school. Later in the 50's we met again when she & Bill were regulars on Long Beach Island. We met numerous times @ Hans Bar in Barnegat Light where all the diehards would assemble in the early morning hours to finish off the night. Betty was the best dancer in our class, & I enjoyed many dances with her (with Bill's blessing) in those days @ the Shore. We also shared duties on one of the earlier Class Reunion committees. At one time we shared the same doctor in Merchantville where we caught up on each others news in the waiting room. My most sincere sympathies to her family - we have lost a terrific dancer!

“ I have wonderful childhood memories at the Wheelers with my bestie Pam. Mrs. Wheeler made the most amazing coconut cake! She always made me feel like family. My thoughts and prayers are with the Wheeler family.
