“ *So sorry to learn of Bruce's passing. I was very Blessed to be his home health aide and enjoyed making him poached eggs, talking about his love of coins and spending time just listening to his stories. He was a wonderful man and I often wondered about him. Now that I am back in Moorestown caring for another client - I decided to search him up. Wish I had done that sooner. Very sorry to you and your entire family for this loss.*
