“ *Midnights in winter, the glowing fire  
Lights up your face in orange and gold  
I see your sweet smile, shine through the darkness  
It's line is etched in my memory*

*So I'd know you by heart*

*Mornings in April, sharing our secrets  
We'd walk until the morning was gone  
We were like children, laughing for hours  
The joy you gave me lives on and on*

*'Cause I know you by heart*

*I still hear your voice on warm summer nights  
Whispering like the wind*

*You left in autumn, the leaves were turning  
I walked down roads of orange and gold  
I saw your sweet smile, I heard your laughter  
You're still here beside me every day*

*'Cause I know you by heart*

*'Cause I know you by heart*
