“ I am so devastated to hear this. I worked with Carol at Dr Zekavat's. We would laugh the entire day together. She always had a smile and would go out of her way for anyone. She knew I loved carrot cake and would always bring me some when she made it. She will be missed dearly. Rest easy beautiful soul. I will forever be grateful to have been a part of your life ❤️🥹

“ Carol was a caring mom, aunt, sister and friend, and a great cousin too! I got to know her better as adults when I did her hair. I realized quickly not to let her quiet and sweet demeanor tell everything about her. She had a great sense of humor that was sometimes down right on the edge! I'm glad I have those memories Carol and we will someday make more!
