“ Carole and I have been friends only a few years after meeting at the funeral of my brother-in-law's sister who was Carole's cousin. However, in this short span, we managed to mold a close friendship. She particularly welcomed each program of songs I play on the keyboard at Dover's Modern Maturity Center and would let me know what certain ones meant to her. I will remember her as a very giving person, a wonderful cook, with an interest in all whom she met. Her passing has left an empty feeling and yet a connection. She sent me a birthday card and told me to have a beautiful day. I saved it and read it on my birthday.....January 29th. Little did I know she would be leaving that very day but know that all of her days, forever, will be beautiful, as she deserves. My prayers and condolences to all of her family.

“ I will never forget Carole. She was one of the nicest and most thoughtful person that I have ever had the privilege of knowing. She was my Avon representative and I considered her a good friend. I will miss her but I know that she is an angel in heaven. May God bless Jim and all family members. With Love, Kathy Connelly

“ I met Carole in 1976. Our oldest sons Richard and James started kindergarten together at Lenola school and then went on to school together at OLG. Then our second sons Michael and Tom did the same thing. We had a lot in common in those days. I will miss her Avon calls on Sunday nights! Of course they were always filled with family news and friendly chats. We talked about our lives with husbands, children, and grandkids. We also shared all the excitement of the Phillies and the Eagles. She shared her friendship so generously with everyone she will be genuinely missed. Hope she is celebrating the Eagles win in heaven and that she puts in an extra word for the Super Bowl! Nancy Handlon

“ This is a big shock to hear this I was just talking to her a few days ago.
I will always remember Carole not just as my Avon lady but as my Dear Friend
I work night work and a couple of nights a week Carol would call me after she said her Prayers and we would talk. I would tell her about my Husband and his heart trouble and she would tell me about her wonderful Family.
We would also talked about what is going on in this sad world.
I will miss our talks but most of all I will miss my Dear FRIEND.
She loved her faith and God
Carole you are at peace now with God, you will always be in our Hearts and Prayers.
God Bless you my Friend and may God keep you in his care.
God Bless Jim your children and grandchildren and all who knew you.
