“ *I remember spending countless hours doing things for the class, and spirit week, and how She'd host EVERTIME, EVERYDAY! (Only Frosh-Senior 4x winners I believe!) I'm so sorry I never knew before now. My deepest sympathies and condolences. My heart is full of many happy memories of the Hall family. Gratefully, David J Horchak.*

“ *I'm sorry that I just heard of Carolyn's passing. I enjoyed her company at PartyLite parties and her love of her work and her family. She will be missed. I will think of her often when I see candles. My thoughts are with the family and friends.*

“ We were part of our girls floats at Delran HS. We tried to win, but Caroline had a real talent and therefore she won every year. The senior year, we even went over to the car dealership where they left the float, just to look and see how we would compare....even though the girls were yelling at me that we weren't allowed to go, we went and they had a good time sneaking a look.....we didn't win once again.....Recently, I had a VW car and she was the cashier there. We had a chance to catch up and she was very proud of her grandchildren. What a great mom and grandma.....I'm sure you will miss her. Love, Bobbi Miller (Missy's Mom)

“ The periwinkle candle was supposed to accompany my condolence. Sorry it did not. Your Mum absolutely loved her children more than anything in the world. She shared what was happening in your lives; she loved being with you. Her Presence was her Present to you. Her spirit will always be near you. I know your hearts grieve her loss. You were Blessed to receive her unconditional love. May God grant you peace in the days ahead. I admired the beautiful woman you called Mom. She was very special. Deepest sympathy. “ I will never forget all the times we shared, you were a second mother to me, you gave me and our class so much, you are loved and will be truly missed.

“ I loved Carolyn from the very first time I met her. She was a great caring person. She made purchasing candles a fun experience. Sometimes she would drive to Pa. and we'd share stories about our children and grandchildren. May her family find comfort in knowing that she touched so many people in a positive way. She had a very exuberant smile that could shine as light in any room. She was so proud of her grandchildren and she let it be known. I once told her that I was working hard to get my home to smell like hers did. May she find rest for her soul. She will be missed.....
