“ *I met Carrol when she was in High School. She was a strong willed woman and made a good life for herself with her daughter Jodie and husband Darin. My daughter played with Jodie and was very interested in all of the animals Carrol owned. She absolutely loved animals !!! It was her passion in life. They made her feel so productive.*

I will miss her and her strong voice and great laugh !! She could talk your ear off !! I'm so sorry that what her Mother went through, she did also. I wish I could've helped her out in some way to make her life a tiny bit better.

Carrol will be missed by many and remembered for all of her many accomplishments. Michael, Michelle and I are happy for all the times we spent together. Rest In Peace Carrol.
