Deepest sympathy to the Shingleton family. I believe CB and I share the same thought! You were too young I need more time.

“ Paula,

My condolences to you and your family on the passing of your dad. He was a man who I greatly respected and admired. Take comfort in knowing that after all these years he will finally be reunited with Cap.

My sympathy goes out to the entire Shingleton family, but especially to Paula. Paula, I just mentioned your name yesterday to my son and daughter who are mourning the death of their cousin this weekend. I told them the story of how you stopped at our house the day or two after my brother John was killed and offered to take me for a ride to get away from the house for awhile. I have never forgotten that and have given that advise to many before. I told my daughter who lives in Florida to take a walk, go do something normal or routine. I wanted you to know what an impact that made on me and I thank you for it. If you would like to get in touch with me, my number is 856-728-1757. I am so sorry for the loss of your father. My thoughts and prayers are with you all. Sue Riddell Halfman.
