“ Where to begin? As a young attorney in the 90's, I had many appearances before Judge Little in beautiful downtown Camden. He was a role model, as a man who loved his job as a judge, and was everything a young trial lawyer could aspire to be. He was funny at times, tough-minded at times, but most often, fair and impartial. May you rest in peace Charlie Little. You will be missed.

“ Charlie was my very first boss. I worked from 1970 to 1979. A lovely man who was patient with a 17 year old girl on her first job. Always happy to answer questions and help me learn my trade. R.I.P. Charlie.

“ Charlie was a great help when we bought our business. We are second cousins and I have very fond memories of the farm and visiting with his sister Jean. Rest in peace Charlie. Love, Hilda Larmour Lang and Len

I worked for Judge Fratto who shared Chambers with Judge Little for many years. Later, I worked for both of them. Judge Little was so much fun and the kindest man who would listen and give advice if you were having a bad day. Every day was a fun day with him. He was one of a kind. He will be sorely missed by all that knew him. My condolences to his family. Judie Sims

“ Mom and I always talked about "Sunday Dinners" at the farm house with all the Little cousins. She cherrished the family gatherings, even after we moved closer to Jerry out of state. "Uncle" Chuck was kind, wise and loving. His life exemplified servant leadership to his last breath. Keeping family Traditions and living life to the fullest are my greatest memories and lasting legacy instilled in me.
