“ I remember Kim as a very welcoming friend from the time I met him on the plane enroute to Brazil and learned that he graduated from the same Allentown High School that I did.
It was wonderful to sing in the bass section with him. And a plus was having Jane so faithfully attending to Singing City.
I will not be at the service due to a prior medical appointment, but will be there in Spirit.

“ Dear Jane,
Your letter arrived this morning and before I was able to read and translate it to Gudrun I was shocked by to see the sad news on facebook. We had not met Kim personally but I knew that, as a railroader he followed my rides on the various European railroads with interest.

Dear Jane, we are so sorry for your loss and hope you find solace in all your dear memories. We are thinking of you and include in our prayers.

Love,
Claus and Gudrun

“ We were so delighted when my special, dear cousin Jane and Kim wed. John and I so enjoyed our visits with Kim and Jane in California, Jane's home state. Kim was a charming, gentle but persuasive guy. My heart breaks for Jane as they were perfect for one another. May God bless and comfort her and his loving family.
