My family and I met Howard at Long Beach Island. Howard's presence touched everyone he met. He was always willing to lend a hand. Howard was such a jovial person and fun to be around. He will surely be missed! Our condolences and prayers to his entire family.

“ I served with Howard at Relief Engine Co. (aka: Sta. 3-1-2, on Chester Ave.) for many years. He was one of the guys that took some interest in us "rookies" back in '64 and such. He served as a Line Officer (1st Lt., and 2nd Lt.) and as Fire Company President. Through my dad, I knew Howard many years before I became a firefighter (I practically grew up at the firehouse).

Howard was a very caring man. He always had a smile and a nice word for you. He was willing to help you in any way that he could, and wouldn't mind going out of his way to do so. Howard served on the Board of Fire Commissioners for several years, though the number I do not remember. He was one of the "old guys" group, about 6 or 7 of us, including the late Barie Middleton, who got together once a month for lunch, at Ott's usually. Howard would always have a funny story to tell. Howard did a lot for the Fire Department, and especially for Relief Engine Co. Howard will remain in my memory for ever as a really nice person.

My prayers and sympathies to out to his family, and to my brothers at Relief. Howard will be missed dearly.

“ To the Schuster family; I have known Howard since Moorestown High School days. I just looked up in my 1948 year book and found his picture on the JV football team as #38 and on the JV basketball team as 15. He wrote a note to me on that page, (Lots of luck to a great guy. I sure had fun with you this year and will miss having lunch with you.) I was the manager of the Basketball team an he was a good player!!!! Then our lives crossed in the Fire Department over 50 years also. We both served in the Marines. In fact we both were in Korea at the same time, most likely less than two miles apart and did not know it to years later. I will sure miss him!!! Only a few great ones come along in your life and Howard was the Best! I also have fond memories of his brother Kirt.

“ Phyllis, Karl and Nancy - I know how much you will miss your father. Not only did he keep the Trolls supplied with chocolate and Keen many years ago at JMU, but he cared about each of us - hoping some of us got "our diamonds" and forgiving our marring of the dining room table. I'll remember him as a man who enjoyed life and his family. I hope you will find a time when his memory brings smiles more often than sadness. - With sympathy and love to all 3 of you - Jill

“ I have known Howard since the days as a probie FF. We met on a 21/2 hose line at the old milk house fire on Mill street. He was a great friend and I will always feel his loss as I have the guilt of never visiting him at Brandywine as I deal with my own problems. It was a delight when his daughter was one of my home nurses as I recovered from one of my hospital stays. He was always ready to help and always ready to give some well thought out advice when needed..especially to my thick head.I will miss his laugh and his sense of humor, but most of all, his friendship.Sermpet Fi Howard!..

“ My father Russell Gunning and daughter Marlene Yohnnson and husband are so sorry for your loss. I "grew up" as a fire house kid and remember Howard as a very dedicated fireman. My dad thought the world of Howard. I have many great memories of Relief Engine Co. Your dad struggled hard with his illness. What a great guy. Again, so sorry to hear of his passing.

Dear Phyllis, Karl, and Nancy, Your dad was our favorite neighbor of all time. He was a special guy and I will always remember our back fence conversations and a few over a martini or two. Nada and I were always hoping for a visit from him to our home in NC but sadly it was not to be. We know that God will take good care of that old Marine and he will join your mom in love and peace. All the best to you at this difficult time. Love, Nada & Frank Raube
