“ *When I remember Corinne, I think of her laughing. She was one of my favorite of the Shute cousins when I was little; she was my dad's contemporary, but always had something funny to say to us kids. She talked about her work, and I loved to hear that. Corinne had her dad's sense of humor, and that is a very great gift. May she rest in peace.*

“ *Corinne was one of my inspirations to pursue a career in nursing. I enjoyed our visit last year, our first since the last Shute Reunion, and I had hoped for more. We were all so lucky to have known her.*
