“ I knew Craig from Starbucks. He was a part of our everyday lives and was so caring to everyone, from the towns people to the workers to the other customers. He was so friendly and fun and was always willing to give professional advice to anyone who had a question. He was so proud of his family, and we had many talks about our respective two youngest children who were the same ages. I will miss his great personality and of course his signature laugh. Our Starbucks will never be quite the same...

“ Dear Craig  
To lose you so young breaks our hearts. Was so great to see you at Kim's retirement..We heard that laugh and knew it was you. You always had a smile on your face and a giggle in your laugh. Rest peacefully dear friend and don't party too hard with Paul. He is waiting for you with open arms. You have our love always and please pass it on to Paul. Is Heaven ready for both of you?

“ I will never forget his magnificent smile, his joyful laughter, his incredible, beautiful, sweet nature, and the bright light in his eyes. So many precious memories of the love he gave so freely to all of us. He showed such humility and lived a life of demonstration of walking the talk, in giving back to this world as a faithful father, husband and community servant and leader.

*You made us all so proud Craig. This world was such a better place because you were in it. I'm deeply grateful and incredibly proud to call you my cousin.*

*I will treasure every memory of every smile, every hug, every conversation and every supportive word you offered me; especially over the past couple of years.*

*You are smiling down on us all now and another angel has gained it's wings. Without a doubt, as you entered Gods kingdom he said to you "well done my good and faithful servant." Love you so very much dear, kind, beautiful Craig.*

*You have left an indelible mark on everyone who had the honor of knowing you. This earth has lost one in a billion and heaven has gained another angel.*

*Praying for Carrie, Scott, Travis and Phoebe; Garth, Linda, Bruce and David, and all of us Berners who are grieving your passing. Praying for your police family too.*

*We will all carry you in our hearts until we meet again. Our hearts are so heavy with the loss of you here but we know your laughter and love is shining down on us all and we now have another Berner guardian angel. Rest in peace beautiful man.*

“ *Another bright star will be shining down on us as we are all saddened by this tragic accident that rocked our town hearing this sad news. Craig will forever be remembered by his caring, genuine personality that touched each and every person that new him. His laugh was one I will never forget hearing for the first time...he made me giggle as well. Though you were with us a short time....thank you for all you did for the community of Moorestown and serving your country with dignity. Your job may be done here, but your legacy will live on. Until we meet again....RIP Craig....my condolences to all of Craig's family & friends during this difficult time.*

“ I knew Officer Berner for ten minutes, a tiny slice of his giving life. A few months ago I went to the Moorestown Police Station to get guidance on a situation I was dealing with. I talked with Officer Berner and I found him to be very professional and personable with very good advice. I remember walking away thinking this officer is really good at what he does. I send by heartfelt condolences to his family, friends, and fellow officers. I met him for ten minutes and I am very saddened by his passing.
