I met Debbie and Bill when we attended Village Presbyterian in the late 70's? Debbie and I were both young mothers then. She was such a welcoming person, inviting us to their home often. She shared so many interesting ideas regarding teaching and good parenting, even encouraging our children to read at a young age. Her Southern ways were so inviting! My sincere condolences to Bill and to Torrey, Josh and Lindsay and their families. She was a loving and giving person, a great example to everyone who knew her. Looking forward to meeting up with her again one day in the future.💕 — love to all, Liz Carleton

“ Debbie was my “Cousin Debbie “ who I saw somewhat often during her high school years at HDA. Her influence led me to attend the same school years later. Unfortunately, our paths would not cross again. I love hearing of her and her family’s influence for the Lord. Blessings to all of the family as you celebrate her life and impact on so many.

“ I met her less than a year ago, she taught me about life, love, and honor. I will miss her. A kind and gentle soul that has touched me in such a short period of time. Until we meet again. Rest In Peace.

“ The few times I had the great privilege to spend time with Debbie, I was struck with her strength, spirit, love of life and "mischievous" sense of humor!

“ *Debbie touched the heart and soul of everyone she met. No one will ever know all the good she did, quietly, and without expecting gratitude. She was a gracious lady and my dearest friend.*

“ *To the Entire Walker Family:
Debbie was a remarkable and phenomenal woman of God!
I had the pleasure of working with Debbie in the
Moorestown School District! She had a very special kind
heart for our students and staff! I will miss seeing her at the
Virtua Gym with her Moses Staff! We always had a beautiful conversation about
how blessed were to be Servants of The Lord! She has finished her course on
earth and is now with our blessed Savior! No more sickness and no more pain!
Cherish all the beautiful memories she has left behind and keep her legacy alive!

“ Dear Bill, Torrey, Josh, Lindsay and Family,

Please know that Don and I are so very, very sorry. We have so many wonderful memories of Debbie that will live forever within our hearts...so many wonderful adventures with Debbie and all of you that go way back to the Montessori School in Delran, to Sunnybrook, to a trip to Ocean City with the kids, and a visit to your home in Maine. But the best part of all these adventures with Debbie was that I always learned something from Debbie.....and I must say that I still do these little things today. I find myself thinking “I learned that from Debbie.”
You are in our thoughts and prayers now and in the days ahead. May God bless all of you and give you strength, peace, and comfort. 🙏🙏

With much love and deepest sympathy,

❤️ *Pat and Don Mishler and Family*

“ As a member of First Pres I remember working together in Vacation Bible school. It has been years ago but I will always remember how her lively spirit really grabbed me! Capturing ! Loving! What a fabulous woman who was present and giving all the time . Debbie was vocal- positive... go , go, go...and so easily open and present- and I never knew her well! A wonderful lady who inspired me for sure. Thanks Debbie. Always, Carol Clark

“ *Debbie introduced me to the Lenton series and took me in as one of her own. She became a trusted confidant and cherished sister from different mothers. She understood my circumstance and I hers. She is so loved and will be missed, but she is now in the hands of our savior and God, His will has been done. I love you Debbie and will cherish your memory. Becky Castellanos*
