“ *To all the Costello children.....Delores hired me at Preferred Rehab in 1995 and my life changed dramatically because of her. We became very good friends and co-workers for many years. Unfortunately, we lost touch but I never forgot her and the gift that she brought into my life. She was always so good to me and helped me to see what friendship was all about. I am so very sorry for your loss and hope that God will watch over all of you and help you through this very difficult time. She loved all of you very much and I know she will be missed.*

“ *Dear Costello Family,*

I'd like to send my condolences to you all. Your mother/grandmother was one of the most beautiful people I have ever known. I had the experience of working with her for a few years and she was always one of the highlights of my day. I really wish I could have been there to say goodbye but I just learned of her passing early this morning.

“ *Meghan, Claudine, Kevin and Chris, you were your mother's anchor to life, and remain so. Her energy, faith, courage, resilience, and goodness were grounded in a deep, unconditional love for her children and grandchildren.*

Your mother's good Spirit enriched my life and will remain a sweet reassurance that Goodness triumphs over adversity. I am honored to have known her, and I will miss her.

“ *Christopher, Kevin, Claudine and Meghan, I'm so sorry to hear about the sudden news of your mother. The memories from our childhood our as vivid as if it was yesterday. I remember playing as kids at your house in Moorestown running all over the neighborhood, our vacations at the shore, and your mothers pretty strawberry hair. I'm sorry you have to go through this. The picture you have posted is so pretty of her.*

“ *Chris, Kevin, Claudine and Meghan: You guys were young enough to need a babysitter when I last used to see your mom (every Saturday afternoon!), but I remember talking with her like it was yesterday. She really had a lot on her plate back then, but she always smiled and kept a sense of humor about taking care of everyone. I remember her trying hard to just laugh--when she easily could have been angry or upset. She was a good mom. I know you will miss her. Take care, Dolores Kelly (Majewski)*

“ *Delores was a wonderful woman and I will miss her tremendously. What a terrific picture you chose for us to remember her by! Her attitude was always positive; dealing with the trials and tribulations of life but always finding joy as well. She always had a ready smile, a laugh, and it was a joy to spend time with her. Nothing was more important to her than her children and grandchildren, and my thoughts and prayers are with you all.*

Dear Chris, Kevin, Claudine and Meghan,
We were so lucky to have those years with all of you, including Nick,
across the street. The Costello family added so much to our
neighborhood. Your Mom was a wealth of wisdom and knowledge and
we miss her already. She was so stylish and youthful! She organized
and managed our ladies lunch group that kept us current on all of your
lives. I'll miss hearing all of those details.
Our love to you and your families,
Linda and Bruce Carskadon
