“ Sending love to all the family. Whenever I saw her at family gatherings, even when the kids were young, she stayed serene and sweet and I have always been grateful to her for her calm influence on your family. To Ang and all the children, it is a hard loss, and I can only send my sincere condolences. I am out of the country and regret not being able to express my love personally.

“ Sending love to all of you. As kids, our entire neighborhood was in your backyard, and in and out of your house and she was always so patient and sweet with us. In recent years I am so glad that I did get to see her and spend time with her again. I will always have such great memories of your sweet mom. She and your dad were such a perfect match. She will always be with you, watching over you from heaven.  
Love you all.

“ *To Phyllis and her family;  
I have so many wonderful memories of Dolores, as Phyllis and I  
were friends from grade school. She was such a calm and kind  
woman who always observed our silly antics with a smile. I also  
admired the wonderful relationship she had with her husband. They  
were truly made for each other. Forever in peace may she rest.
