“ *I apologize for excluding a daughter, four of you, not three! Be proud of who you are and the legacy you have been given by your parents. Make them proud!!

“ *Do I ever remember the Sliwinski family, loyal supporters of St. Paul School in Burlington, NJ! Your parents, DEE and TOM, wanted the best for you three girls and worked hard to be supportive, loving parents. Fond memories linger in my mind! I remember them transporting me south to visit a friend, as you headed south for vacation. It has been many years since our paths have crossed. Please know that you are remembered in thought and prayer as your mom warmly smiles down on you and wraps you lovingly in her arms. Sending you peace and love.
