“ We are very sorry to hear of Don’s passing, but find comfort in knowing that he and his beloved Elinore are together with Jesus, looking down with love and pride on all their family and friends! They were a major part of our neighborhood’s sense of family - the surrogate grandparents/parents to many. We’re sorry that we can’t be there to celebrate his (their) live(s). You will continue to be in our thoughts and prayers. The Reed Family of Charlan (Donald, Terri, Emily & family) No, thank you my mom’s. Do you want those on?

“ Don and Elinor were both longtime high school friends with my mom Joan Reyngoudt Fisher (she passed away in 2022). After my mom's passing Don continued to keep in touch with me at least once a month, sometimes more - told me the great joy he had in making the wood boxes for the children and grandchildren and was so happy he got to see the last grandchild born. Please accept my sincere condolences for your loss - I will miss his talks - he always was a good friend to my mom throughout her life - and for 2 years he was my friend as well.
