“ *I'm sorry to hear so late of Don's passing. Classmate and friend from 6th grade (the year elementary grades were integrated in Moorestown) through high school. We played in the band and orchestra through jr.and high school. He was always a dependable friend and I am so fortunate to have had him in my life. Sorry that we didn't keep in touch after those school years.*

“ *Blood makes people family but blood doesn't necessarily make people friends. I am pleased and honored to be able to call Don my cousin and my friend.*

Way back, when I was a Cub Scout, and the family was living in Rancocas Woods, Don had taken the time to come to the house to help me improve my terrible skills in assembling a balsa wood model airplane. At the end of this, I did have a model that was at least, more worthy of display then others I had made.

Fast forward many, many years to visits as adults. Sitting on my sisters lanai or in Don's living room with Liz and Bobbie, or at whatever local restaurant he enjoyed. Talking about Drum Corps, politics, family history, Old Moorestown. Whatever came to mind. These were visits that I am most glad to have had and time well spent!

DJ was my cousin and my friend and I will miss him. Bye Don.

“ *It is with great sadness that Phil and I learned of Don's passing. We are sorry for your loss. We enjoyed getting to know you both here at our home in Florida and a pleasure to meet the cousin that I only knew as a young child at our family picnics.*

Our prayers are with you.
