“ *In the short time that we knew Donna as fellow members of the Antique Collectors Club, we came to appreciate her enthusiasm, her positivity, and her can-do spirit. She very quickly volunteered to be treasurer of the club, a position that was difficult to fill. What a wonderful person! We only wish we had been able to know her longer. Our hearts go out to her family and friends. Please accept our condolences.*

“ *Just wanted to say that I dont remember Donna not being in my life. Her and Buddy got married when I was still in elementary school. She has always been apart of our life. We will miss her terribly and pray for the time for all to heal. We love you Buddy and Stanley and Dana.*

“ I’m glad that we got to share some time together at Seaside with my sister Libby. We certainly enjoyed our vacations. It will be missed. You and Libby are reunited once again and I hope that all is well now that the pain and suffering is over for you both.

“ Donna had an open heart. Loved her animals. She seemed to enjoy Buddy and her made for one another. She enjoyed treasures of the past. She decorated her home with her collections that she loved to display. She worked long and hard for what she had. She opened up her home often to family and friends. She enjoyed the gatherings. Her family and friends meant the world to her. She now has time to rest without pain and life pressing her to do more. A very loved mother, sister, wife, and friend.
