“ So many memories and wisdom gained from time spent with Aunt Dottie. Her gentle nature and kind spirit were infectious. One of many things she taught me was to not worry about too much cleaning up when guests stopped over. “The dishes will still be there when you leave and I can do them while smiling about our time spent together.”

ME

I am so sorry I missed the passing of Dottie. We became friends at Pine Belt Sportsmen's Club. Dottie had my children and I over in the summer to swim in their lake. She taught them how to paddle a canoe on that lake. Had the kids visit and took them horseback riding too. A lovely lady, easy to be with and love. I have such fond memories of her and her delicious cooking and baking. God bless you my friend.

“ Dottie was a sweet, loving, faith-filled friend. We met over 30 years ago at St. Stephen's Church, Riverside, NJ. She was a friend to my husband and I, and like a Grandma and Aunt to our two children. She became part of the family, joining in from Baptisms all the way to weddings! Along the way, we had plenty of visits, chats, meals and tea times. What a beautiful person, inside and out. She will be missed.

We love you, “Aunt Dottie!”
