“ *Dear Shockey family,*

*We are deeply saddened to hear about Aunt Dorothy's passing. She was a beautiful person inside and out and we loved visiting with her at family get togethers and having nice conversations together. Aunt Dorothy always sent us a Christmas card wih a thank you for our Christmas card we sent her, and how much she loved and looked forward to receiving our card with our cats and birds and our Christmas poem about our pets. She always looked forward to getting them. Aunt Dorothy and Uncle Ralph always made us smile, just by being in there company. They always had a positive, loving, happy, attitude about life and never did we hear a negative word. Aunt Dorothy will be missed very much. Now heaven has another angel to look over us.*

*You are in our thoughts and prayers.*

*With our deepest sympathy and love,
