“ *Dot is missed so very much. She was sweet and funny. Loved hearing her stories. My dad drove for a living, so he hated to go anywhere on the weekends. Dot was always there, inviting me to go to a lake and even the NY Worlds Fair. As a child, that meant so much to me.*

You are at peace now. Hope they had a Manhattan waiting for you

“ Now the preparations are completed, and all of us who loved Dot ate thinking about saying our final goodbyes.... I sit here remembering all the wonderful talks and times we spent together over the years. She was so very loving, gracious and could talk on any subject...even current events while even at 100 years old! She loved her family deeply, as each one loved her in return. I will miss Christmas with her and the other family get together we shared. I picture her at her 100th Birthday party....she was absolutely beautiful in pink! My heartfelt sympathy to each and every one of her family and friends. I personally look forward to seeing her again someday...no doubt surrounded by her many sweet doggies! Her heart was always full of love, and I loved her in return! Suzanne Grimmer

“ I loved Nan as my own mom she was funny , loving. I loved hearing of her doggies. I loved the times at the beach house with her. I loved the times when I would see her at Cathy's house. She is at peace now and rejoicing to be with Jesus and all her family and friends. Will miss you Nan. Rest In Peace now at last.
