“ *We've lived next to Ed since he had moved to Leola 15 years ago and found him to be a great neighbor . Always quiet, thoughtful and respectful towards us, we did get to know Ed a bit over all the years, and always enjoyed our chats. One of our favorite subjects was talking about food. Ed like us, I think, was a bit of a foodie. While he always kept to himself, he still managed to show generosity towards us on several occasions , for example making it a point to find out when our vacation was each year so he could cut our lawn with his riding mower while we were gone. We were very fond of Ed and will miss him greatly. Our deepest condolences to the entire family . Sincerely, David and Sharon Formica*
