“ *Sending heartfelt condolences to Denise and Wayne, friends from high school. Also sending out special thoughts from my Mom Dorothy Armstrong Rust who graduated with your Dad in '42. Mom so enjoyed planning those reunions and coming up from Florida to be with her old pals. I remember their 50th..... somehow ours is creeping up on us "71! Mom always talked about how Ed was one of the instrumental coordinators for the reunions. It's hard to believe she'll be gone 10 years in July. Keep all of your precious memories close to your heart. You know MHS class of '42 will be happily continuing their good times together. Fondly, Nancy Rust Sutherland and Charles "Bud" Rust. Floral City, Florida*
