“ *Rich and Elizabeth, my heart is with you. Thank you for allowing me the great honor of taking care of Ellie during her days with us. She may not have been with us long, but her impact will last a lifetime. Ellie only knew true, fierce love while she was earth side and I'm so thankful I was trusted enough to be a part of her story. She will always be "Ellie Bellie" in my heart and I will forever remember her sweet smile. May God cover you in his love until you are all reunited again one day. You're always in my prayers.*

Love, Nurse Erika
