

Eleanor Jessup Stevenson

February 2, 2025

Eleanor Jessup Stevenson passed away peacefully on February 2, 2025 at the age of 100 at the Evergreens of Moorestown where she resided. She was married to the late Harry A. Stevenson for 54 years. She is survived by her three children: Barbara Stevenson Watson and her husband John of Moorestown, NJ, Linda Stevenson Kimball and her husband William of Winchester, MA, and Robert H. Stevenson and his wife Cynthia Ann of Chalfont, PA. Eleanor is also survived by four grandchildren: Adam Watson of Moorestown, NJ, Thomas Watson of Mercer Island, WA, Julia Kimball (Desmarais) and Andrew Kimball both of Woburn, MA. She had 7 great-grandchildren. She shared her Quaker values with family and friends alike.

Eleanor was a life long resident of Burlington County except when she attended George School, a Quaker Boarding High School in Newtown, PA. Eleanor's first love was teaching. She taught at Westfield Friends' School, Moorestown Friends' School and finally at Mt. Laurel Township Public Schools where she taught until age 70. She taught mostly first grade and continued finding teachable moments until the end. She was still in contact with some of her students.

Eleanor loved to entertain, play bridge, travel and had a green thumb for plants. She enjoyed all the activities of the Evergreens and made many friends there. She will be missed by many.

Contributions in her memory can be made to Moorestown Friends' School or a charity of one's own choice. A Quaker remembrance service will be held in the spring.
