“ Elinor was my father Jack Cleeland's first cousin and they both grew up in East Paterson (EP) now called Elmwood Park. Although my Mom & Dad have passed they had a very close relationship with Elinor which continued after they moved to South Jersey and then Delaware. I remember many get togethers over the years in EP, Rochelle Park at her sisters and in Cream Ridge at her Dad's farm. On behalf of all of us our prayers are with Don, David and Ruth and their families on her passing.

“ Dear Don,

Your call regarding Elinor's death was so sad for me, but I appreciate that you let me know. She was very dear to me. I remember our days together with warmth, laughter, and deep appreciation for the years we shared. Elinor was a total professional in her work, a lady in her demeanor, and a true friend. For the students we served, primarily disadvantaged women who had little experience with such a role model, she was (as one told me) "really classy." I can imagine her laughing at that.

While this is a difficult time for you and your family, I hope that you realize how grateful she was for the care you gave her and how much she loved you all.

My sincere sympathy to you and the family. Think of good memories and continue to take good care of each other.

*Fondly,
Jan Robinson*
